Ms. Helen K. Kish
Office Manager
BELIEVE IT OR NOT!
King Features Syndicate
235 East 45th Street
New York 17, New York

Dear Ms. Kish:

Thank you for the opportunity to confirm or deny a report that CIA uses radio headphones on guard dogs.

CIA has no guard dogs, radio-controlled or otherwise. I hope that puts the story to rest. Thank you again for taking the trouble to check it out. I wish the original journalist had.

Sincerely,

Charles E. Wilson
Chief, Public Affairs
